Peter H. Weinberger is a managing partner of Spangenberg Shibley & Liber, LLP. He primarily focuses his practice on complex injury and wrongful death cases caused by medical malpractice, defective products, and motor vehicle accidents. In the medical malpractice field, he has tried and settled cases that have involved failures to timely diagnose diseases, failed surgeries, and birth injuries. In the field of defective products, he has concluded cases involving industrial plant explosions, defective insulation products, dangerous drugs, and defective machinery. Some of the complex motor vehicle accidents have included collisions involving overloaded trucks, tractor-trailer collisions, and railroad crossing cases.

Mr. Weinberger has been honored by a number of highly regarded legal organizations. He is a Fellow in the American College of Trial Lawyers, a Fellow in the International Society of Barristers, and an advocate of the American Board of Trial Advocates. Furthermore, he was voted by Best Lawyers in America® as Best Lawyers, Lawyer of the Year in Personal Injury Litigation—Plaintiffs for 2013, and as Lawyer of the Year in Medical Malpractice Law—Plaintiffs in 2012. This listing has been called the most respected peer-review publication in the legal profession and is a guide to legal excellence in the United States. Notably, Attorney Weinberger has been recognized as a Local Litigation Star—Plaintiff in the 2015 edition of Benchmark Litigation, a publication focusing on leading trial attorneys and firms in the United States. This was the third consecutive year that Mr. Weinberger was been selected as a Local Litigation Star by Benchmark Litigation. The publication's rankings are the result of extensive interviews with private practice lawyers and in-house counsel. The guide's "local litigation stars" reflect lawyers who are recommended by peers and clients to have established consistent reputations as trial attorneys.

Most recently, Peter Weinberger has been invited to become a member of BlueBook Society.
